

Acquisition of new energy battery cabinet enterprise

Overview

Does reliance new energy own rnebl?

Reliance acquired a 100% stake in RNEBL, which Reliance New Energy Limited (RNEL) had previously owned as a step-down subsidiary. RIL incorporated RNEBL on January 1, 2025, making it a direct wholly owned subsidiary. The company specializes in developing advanced battery cells, battery packs, containers, and energy storage solutions.

Does Hitachi energy have a battery storage system integration business?

The battery storage system integration business of Hitachi Energy was also well-experienced with island microgrids, which have been a proving ground for grid-forming applications, the CEO said, making the combination of areas of expertise a suitable one. "I see that happening also in countries like Spain.

Did Hitachi energy buy EKS?

As regular readers of Energy-Storage.news might know, Hitachi Energy bought EKS from US battery energy storage system (BESS) integrator and manufacturer Powin in a deal that closed in late 2023.

Why are battery systems important for C&I businesses?

Battery systems are vital for C&I businesses to build a resilient, efficient, and sustainable on-site distributed energy system. These businesses, such as retail stores, restaurants, office buildings, manufacturing facilities, and healthcare facilities, commonly deploy BESS systems up to 7 MWh.
