

Automatic folding container for farm use

Overview

What are agriculture foldable crates?

This category of dedicated agriculture foldable crates is produced only from high-quality impact-resistant injected plastic and designed to withstand daily intensive folding and unfolding. Transport, delivery, stacking and storage included. These foldable crates save up to 85% of the space when not used.

What sizes are available for agricultural storage?

Our most popular solutions for agricultural storage are the 20- and 40- foot containers. We also have a range of products in other dimensions that can be customized to fulfill your specific needs. Other options include double-door and high-security storage, which are ideal for storing high-value equipment.

What storage options are available for farm equipment?

Other options include double-door and high-security storage, which are ideal for storing high-value equipment. Our all-purpose farm containers can be used as secure storage spaces for farm equipment, tools, and expensive machinery.

What is a foldable Agri box?

Foldable Agri Boxes ensures the integrity of merchandise: smooth interior, no stripes or bumps that can damage the specially sensitive fruits or vegetables.
