

Belize Energy Storage solar Products Company

Overview

What is Belize Natural Energy Limited?

Belize Natural Energy Limited (BNE) is a Belizean company with world-class standards that was founded on the vision that oil and gas would positively transform Belize. Since the first commercial oil discovery, BNE has established itself in this sector.

Will the government of Belize invest in solar energy?

The Government of Belize intends to encourage investment in utility solar-energy facilities. However, it has not yet publicly announced a request for proposals. On a smaller scale, the Government of Belize has installed solar micro-grids and solar-powered streetlights in rural communities not yet connected to the national grid.

Does Bel pay for excess electricity?

BEL presently provides compensation for excess electricity fed into the grid, applied as a credit to customers' accounts.
