

Double throw breaker for sale in Melbourne

Overview

Can a circuit breaker be used multiple times?

Unlike a fuse, a circuit breaker can be used multiple times. We stock circuit breakers designed for low voltage AC & DC applications including automotive bladed breakers, DIN rail mount circuit breakers, panel mount circuit breakers, and surface mount circuit breakers with manual or automatic reset.

What is a Hager msn240 circuit breaker?

The Hager MSN240 is a double pole circuit breaker which protects and control circuits against overloads and short-circuits. The MSN240 circuit breaker is rated at 6kA and is suitable for commercial and domestic applications. These specifications and characteristics outline physical, mechanical, electrical details.

What is the msn240 circuit breaker rated for?

The MSN240 circuit breaker is rated at 6kA and is suitable for commercial and domestic applications. These specifications and characteristics outline physical, mechanical, electrical details. Help other Sparky Direct users shop smarter by writing reviews for products you have purchased.

Why should you choose a double break switch?

Unique 'Double Break' contact mechanism provides excellent mechanical and electrical endurance reducing lifecycle costs. Isolating clusters on body, allow complete ACB circuit to be replaced and maintained without shutting down the switchboard. High short time withstand rating (I) providing superior selectivity and ensuring reliable power supply.
