

# **Factory price main switchgear in Sydney**

## Overview

---

Who are Aussie switchboards?

Welcome to Australia's Premier Switchboard Manufacturer. At Aussie Switchboards, we specialise in the design and manufacture of low voltage power distribution boards, main switchboards, meter panels and motor control centres. Whether you need a large 3200 Amp electrical switchboard or a small metal enclosure, we can help.

Do you design & manufacture a switchboard?

We design and manufacture custom built or modular main switchboards in a large number of different configurations to fit into existing spaces and follow all safety and performance standards in accordance with the AS/NZS 61439 regulations. Dependent upon your specification or budget we can provide the right switchgear to suit your needs.

Does Bovara sell switchgear?

The company is an electricity distributor in Queensland, indicating their involvement in the electrical infrastructure that may include switchgear. Bovara is a prominent manufacturer of electrical equipment in Australia, offering a wide range of products including Load Break Switches.

Who is a switchboard manufacturing company?

We are a full service switchboard manufacturing company offering a wide range of services including design, manufacturing, supply, install, and commissioning. We handle projects ranging from simple maintenance through to complex multi phased design and construction of main switch rooms.
