

Kigali Super Farad Capacitor Company

Overview

Who is the best supercapacitor supplier in China?

Kamcap has always maintained a leading role among supercapacitor suppliers in China super capacitor industry. Samsung finally chose Kamcap. In 2013, kamcap passed the on-site review of France company Alstom and established good cooperation. As one of the leading ultracapacitor manufacturers, Kamcap provides high-quality supercapacitors.

What is a supercapacitor?

A capacitor which stores a huge amount of energy is known as supercapacitor. It is also known as an ultracapacitor or double-layer electrolytic capacitor. Supercapacitors have almost all similarities to capacitors, except for their bigger area plates and the smaller distance between these plates.

Who is kamcap supercapacitor?

Kamcap supercapacitor is one of the most professional ultracapacitor companies with the largest production scale, the most complete product specifications and the most competitiveness in China. We are not only aimed at producing the best ultracapacitor, but also making contribution to the development of global energy and creating value for customers.

Why should you choose kamcap supercapacitors?

As one of the leading ultracapacitor manufacturers, Kamcap provides high-quality supercapacitors. Because of the advantages of high power density, fast charging speed, and high reliability, along with the rapid development of science and technology, the application of supercapacitors in various fields will become more and more extensive.
