

Long-life folding containers for Bangi Chemical Plant

Overview

What are duragreen® collapsible bulk containers?

DuraGreen® collapsible bulk containers are space-saving containers engineered for durability and longevity. These containers are made of high-density polyethylene (HDPE), a durable material that will protect your products throughout the duration of the container's life.

How do duragreen® collapsible containers fold?

DuraGreen® collapsible containers fold easily, and their doors are made with fully articulating hinges that allow an open door to lay flat against the side of the container for tighter, safer storage.

What is a 78 x 48 bulk container?

Overall, 78" x 48" extended-length bulk containers are a versatile and essential tool for businesses that require reliable and cost-effective storage and transportation solutions. Applications: Automotive, appliance, and transportation equipment.

What is a 90 x 48 extended length bulk container?

Overall, 90" x 48" extended length bulk containers are a versatile and essential tool for businesses that require reliable and cost-effective storage and transportation solutions. Applications: Automotive, appliance, and transportation equipment.
