What is Kazakhstan international powerexpo Almaty?

Since its debut in 2001, Kazakhstan International Powerexpo Almaty exhibition annually presents a full range of the most modern equipment, technologies and services for energy industry specialists, becoming a traditional platform for business meetings, experience exchange, new contacts establishment and business negotiations.

What is a battery management system?

A battery management system monitors and ensures the safe operation of batteries, crucial for preventing accidents like ignitions, electric shocks, and explosions. Also known as a battery management unit (BMU), this technology is gaining prominence with the rise of smartphones and the shift towards electric vehicles (EVs).
