

Purchase EK Energy Storage Products in Central Asia

Overview

Who is Ek solar energy?

EK SOLAR ENERGY's Comprehensive Smart Battery Energy Storage System (Smart BESS) Offerings We Group stands at the forefront of Smart Battery Energy Storage Systems (Smart BESS), offering a comprehensive range of products and services catering to diverse sectors.

What is Ek solar energy's environmental health and safety policy?

Environmental Health and Safety Policy. Ensure environmentally friendly, safe and humanized product design. EK Solar Energy's energy storage products include solar energy storage systems, energy storage batteries and intelligent energy management solutions.

Why should you choose Ek solar energy?

Ensure environmentally friendly, safe and humanized product design. EK Solar Energy's energy storage products include solar energy storage systems, energy storage batteries and intelligent energy management solutions. We provide efficient and reliable green energy storage technology for households and industrial and commercial users.

What is Uzbekistan's First Energy Storage Project?

Installed with Sungrow's cutting-edge liquid-cooled ESS PowerTitan 2.0, this facility marks Uzbekistan's first energy storage project and stands as the largest of its kind in Central Asia. The project will play a pivotal role in driving the region's energy transition forward and setting a sustainable precedent.
