

# Reykjavik forklift solar container battery manufacturer

## Overview

---

Who makes a battery for a forklift?

EKT is a lithium-ion battery specialist, we manufacture battery solutions for all models of forklifts, offering customization to suit your forklift, application and budget. Custom options we offer include battery pack integration, battery management systems, and more.

Where are solar power plants made?

Headquartered in Shanghai with 50,000+ production bases across Jiangsu, Zhejiang, and Guangzhou, the company employs 1,000+ professionals, including 20+ engineers driving energy storage technology. ISO/TUV/CE-certified units deliver rapid-deploy solar power for off-grid, emergency, and mobile applications, reducing emissions by 70% vs diesel.

Why should you choose ekto forklift batteries?

With the most dedicated R&D team and meticulous quality control process, EKT can provide the best lithium-ion batteries to meet all your forklift and generator needs. Our Happy Clients! "I am the owner of a small warehouse. I was initially skeptical about using EIKTO forklift batteries.
