

Royu circuit breaker factory in Dominican-Republic

Overview

How long has Eaton been in business in the Dominican Republic?

“Eaton has been in operation for more than 35 years in the Dominican Republic, not only being one of the largest manufacturers in the country, but also making significant investments in support of our communities, which underscores the stability of our business climate and the security of our free zone regime legal framework.

Who is Royu Industrial Corporation?

Royu Industrial Corporation is an affiliate of Firefly Electric and Lighting Corporation (FELCO), a leading lighting, electrical and power solutions company in the Philippines, and owners of the powerhouse brands Firefly Lighting and Royu Wiring and Electrical Devices. FELCO also distributes Schneider and Chint products in the Philippines.

What makes Royu a good brand?

Armed with licensed mechanical and electrical engineers, state of the art equipment from Germany, and a local manufacturing facility in Metro Manila, customers can be reassured of the quality, attention to detail, and competitive price that is befitting the Royu brand.
